

Cortana busted? Here is where you find your Snipping tool:

Click on the Start Windows Button, select W or scroll down to "Windows Accessories". Inside that folder you will find the Snipping tool.

Select screens

PowerSchool New LIVE IEP and 504 updates in PowerSchool SIS (Student Data/Attendance)

you will find a

"Special Education/ 504"

new student screen called

Under the Backpack

That has a live update from the IEP Software of all the documents enabled for each student.

If no IEP or 504 is available, you will see the message "No Documents Available"
